

EXPERT CORNER!

- 1 On 141st Street, inside a red brick house, the Vanderbeeker family sits in the living room for a family meeting. Their pets—a dog named Franz, a cat named George Washington, and a rabbit named Paganini—are sleeping on the carpet. [...]

The Vanderbeeker children look around their home, a red and brown terraced house in Harlem, New York City. It has a basement, a ground floor with a living room connected to an open kitchen, a bathroom, and a laundry room. The first floor has three bedrooms, an old closet transformed in a small bedroom where Oliver lives, and another bathroom, all in a row*.
