

EXPERT CORNER!

1 A boy called Angus who lives near Loch Ness in the Highlands, finds an interesting egg. He protects it and wants to know what will hatch¹
 5 from it. He is amazed when it turns into something magical; a mythical Celtic beast called 'the Water Horse'. Angus names it Crusoe, after Robinson Crusoe. Crusoe the Water
 10 Horse grows really quickly so Angus has to free² it in the loch. Angus and Crusoe dive together in the loch; at first Angus is afraid but then he has great fun.

15 A fisherman called Jimmy McGarry sees the Water Horse and tries to take a photo, but
 20 it isn't possible. He creates a fake photo instead, and some soldiers who saw
 25 the photo go to Loch Ness to hunt³ the Water Horse...
