"... where I can love to learn..."

"... and learn what I love..."

Open the door to your future and become the student you were meant to be.

"Welcome to the debate team."

"I'm a dance major."

"Come join the Improv' Club."

Your future is knocking, open the door.
Monsters University

Vidéo P 15-03 **Body parts**

Everybody has a body
And everybody has body parts, body parts.

You have ten fingers, you have ten toes,
You have two eyes and you have one nose.
You have two arms, you have two legs,
And you have hair on the top of your head.

Everybody has a body
And everybody has body parts, body parts.

Hey everyone, I have an idea: why don't we all play a game. Ok here we go:

Touch your head,
Touch your toes,
Touch your arms,
And touch your nose.

Shake your head,
Wiggle your toes,
Wave your arms,
And wrinkle your nose.

Everybody has a body
And everybody has body parts, body parts.
